

CALLING ALL KIDS

Youth ages 5-12

Collect to Recycle Challenge

Join in the challenge & drop off your cans and bottle caps at Clarksville ReStore 404 Madison St. Clarksville, TN.

Habitat for Humanity of Montgomery County, Tennessee

COLLECTION DATES:

NOW - August 2nd, 2025

During this challenge, we are collecting aluminum cans to help build homes for families in our community.

We are also collecting plastic bottle caps on behalf of a ReStore employee's daughter, Her school recycles the caps to create playground equipment

Prizes will be awarded to the boy and girl who collect the most aluminum cans, as well as to the boy and girl who collect the most bottle caps — for a total of four prizes.

Collect to Recycle Challenge

WHO: Youth ages 5 to 12 years old who want to make a difference (and maybe win a prize!)
WHAT: Collect aluminum cans and plastic bottle caps to help your

community—and compete to win!

Prizes awarded to:

- 1 boy and 1 girl for aluminum cans
- 1 boy and 1 girl for plastic bottle caps

WHEN: Now through August 2, 2025 @ 4:00pm

WHERE: Drop off your collected cans and caps at:

Clarksville ReStore

404 Madison Street, Clarksville, TN

Don't forget! You need to have this Recycle Log signed at drop-off. It must be signed by a ReStore or Habitat for Humanity employee.

WHY: By recycling aluminum cans, you can help Habitat for Humanity of Montgomery County, TN build homes for hardworking families in need. And by collecting plastic bottle caps, you're helping another organization turn them into fun and safe playground equipment for kids—just like you!

So, grab a bag, ask your family and friends to save their cans and caps, and bring them to Clarksville ReStore.

Be part of something amazing! Every little bit counts—and when we all pitch in, we build a cleaner world, stronger communities, and happier playgrounds!

Recycle Log must be turned in no later than August 2, 2025, at 4:00pm to be considered for the Challenge prizes.
